

Certificate

The C.O.C.P. – Certification Body certifies that,

bareiss®

**Bareiss Prüfgerätebau GmbH
Breiteweg 1
D – 89610 Oberdischingen**

has established and applies an integrated, process orientated Management System for the following scope of application:

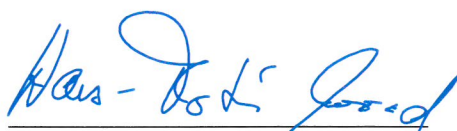

development, production, sale and service of testing devices for determining the hardness of metals, rubber and plastics, the firmness of fruit and vegetables, and the firmness of chemical and pharmaceutical products.

Measures and methods for guarantee of quality and for continuous development of performance are established and used effectively.

Assessments and audits have furnished evidence that the requirements of the C.O.C.P. – Procedure in accordance with
ISO 9001: 2015
are fulfilled.

This certificate is valid from
2021-02-10 until 2024-02-09
